**2.7.1 - Student Satisfaction Survey (SSS) on overall institutional performance (Institution may design its own questionnaire) (results and details need to be provided as a weblink)**

**Action taken Report on SSS-2022-23**

**(Students' Satisfaction Survey on Overall performance of the college)**

**A. Academic Experience**

1163 students satisfaction survey was recorded and with respect to the quality of teaching faculty. Majority of the students have excellent opinion about the quality of teaching faculties of all the sections. Additionally students have rated well in the relevance of the designed course curriculum. Most of the students have also given their satisfactory report on the effective communication skills of the teachers pertaining to the classroom teaching and also in the subject-related problems solving. Very good student's satisfactory report is recorded on ICT based teaching and also in the Internal Evaluation Process satisfaction regarding the manner in which Internal Assessment is conducted. Perhaps most of students have requested the head of the institution to strengthen the initiative toward coaching for competitive examinations and career counselling. And head of the institution has assured the students that necessary arrangement shall be made to initiate the coaching for competitive examinations and career counselling with experts and the teachers which are involved in guiding students for cracking competitive exams.

**B. Co-curricular Experience in College**

The 1163 student's satisfactory survey report was recorded with respect to the Co-curricular Experience in College and students have rated well with the Quality of the teaching faculty and so also with the Relevance of the course design they have a very satisfactory profile with quality of teaching and relevance of designed course curriculum.

### **C. Facilities at Karnatak Science College, Dharwad**

1163 Students have submitted their report in survey. Students are very satisfactory with respect to the infrastructure viz Facilities in classrooms and laboratories, Medical Assistance & Health Care, Accessibility and facility at Central Library, Accessibility to the Departmental Libraries, Security at campus and the Banking facility in the campus perhaps their report was not satisfactory with the facilities such as Canteen, Hostel and Toilets and washrooms. For this matter the head of the institution in consultation with the KU Higher authorities has taken the key steps to improve these infrastructures in the campus and assured to the students community.

### **D. Recreational aspects available at the college campus**

1163 Students have submitted their report in the survey related to Recreational aspects available at the college campus. Students are very satisfactory with respect to enrolment in NCC and NSS. Students have also fair report with conduct of cultural programs such as Yuva Janotsava and Institute's promotion of Environmental Consciousness and Sustainability in the campus. Perhaps students have raised issues with respect to the Gymnasium and opportunities in Sports and for this matter the head of the institution has taken initiation to improve the same in consultation with physical director and KU authorities

### **E. Administrative aspects of the college**

The SSS of 1163 students was recorded and students have given excellent reports pertaining to the Discipline and Anti-ragging Cell, Gender Equity programs, AKKA and SNEHA Association and student's welfare and Alumini association perhaps the students are not satisfactory with the kind of Support from the office staff for that matter the head of the institution has orientated the office staff for suitable cooperation with students with respect to their administrative works.
