7.1.8-Describe the Institutional efforts/initiatives in providing an inclusive environment i.e. tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities. (200 words)

Our institute upholds the tolerance and harmony towards cultural, regional, linguistic, communal, socioeconomic and other diversities.

Cultural: The institute organizes the cultural programs under the banner of Gymkhana to promote and appreciate the cultural diversity of India. As this Institute is offering specific subject like Anthropology, Forensic Science and Criminology at under graduate level, it attracts the students from all states of the country. Hence, students from various states with diverse regional and cultural background generally participate in cultural programs and present their geographical/regional culture. We conduct many cultural events, mainly, Yuvajanotsava.

**Regional:** Programs related to regional harmony are regularly celebrated in the institute viz., Dasara (state festival), Ganesh Chaturthi and Basava Jayanti.

**Linguistic diversity:** The Institute is known for offering different languages of India viz., Marathi, Hindietc. and also foreign language example French. This facilitates to conduct different essay completion in different languages.

Communal Socioeconomic: As our college is constituent college of Karnatak university, it completely runs as per government norms. College does not have any interference from any one. Through, our NSS unit, we generally conduct many socioeconmic related programs. During this year, NSS unit observes Sadbhavana Diwas all volunteers taken oat to promote national integration, communal harmony among people of all religious, languages and regions. The NSS unis have done many social welfare programs like distributing face mask in the market area and creating awareness about hygiene. The NSS unit visit the lake for cleaning the lake/pond and also educates the village people not to dump plastic material into it. NSS unit conducts, special camps every year in village with the motto of students to learn the importance of serving the

society. Also this exposes the students to current issues/problems present in the socity/village, this makes them to think in this direction, which in turn leads them to think about the development of the nation.
