

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

a) Examination Process and Reforms: Institution has adopted Karnatak University's examination rules and regulations. Two internal theory examinations (IA 1 & IA 2) and one practical (IA) examination per semester will be conducted by the concerned teacher by adopting centralized Continuous Internal Evaluation system (CIE) to maintain the academic standard of the students. The evaluation report is made available to the respective students by displaying it on the departmental notice boards and also it is uploaded to the Karnatak Science College website.

Grievances of the students if any are invited and are addressed within stipulated time without hampering the academic calendar of events. Based on the CIE report, after the first internal examination, slow learners are identified based on the performance and remedial classes are conducted for such students. Schedule for the semester end examinations (Both theory and practical) is notified by the university. Principal appoints a teacher as Chief Superintendent for smooth conduct of practical examination in college. Internal and external examiners appointed will upload the Practical examination Mark's in Karnatak University Examination section portal online soon after completion of exams. After uploading marks, examiners will submit freezed copies of marks list in sealed envelopes to KUD through college principal. At the end of all practical examinations in all subjects, Principal will submit all sealed covers of marks list to Registrar (Evaluation) , K U, Dharwad.

b) Evaluation Process and reforms:

Bar coding: Every answer paper is given a barcode. Students register number along with a copy of the barcode is physically removed before the evaluation and the paper is coded. The coded answer papers are assessed and decoded. University will notify the results after the evaluation and the same is published in the website.

Photocopy: Students are permitted to get the photocopy of their answer scripts to check the accuracy of valuation.

Revaluation: Soon after the announcement of results, students are given an opportunity to apply for revaluation within the specified date.

Third Valuation: There is a provision for the third valuation. If difference in the marks between the first and the revaluation is more than 21, the same answer paper is considered for third valuation.

MCQ system: For mandatory subjects like Environmental Studies, Human Rights, Indian Constitution etc. Multiple Choice Questions system is followed.

The smooth conduct of theory examination. Orientation to the supervisors is given before the examination. University appoints a sitting and a flying squad to look after the examination proceedings. For the semester end practical examinations, university will appoint an external examiner and the principal appoints an internal examiner. After the assessment, practical marks will be uploaded to the university examination portal.

Offline First Internal Test 2020-21

B.Sc (C.S) I SEMESTER

Date	Time	Hall No.	Subjects	Remarks
09-01-2021	10.30 to 11.30 am	C-3	English <i>veerend</i>	
	01.30 to 02.30 pm	C-3	Computer Oriented Numerical Methods	<i>Aashma</i>
10-01-2021	10.30 to 11.30 am	C-3	LINUX	
	01.30 to 02.30 pm	C-3	C - Programming	<i>multiparts</i>
11-01-2021	9.00 to 09.30 am	C-3	Environmental Science <i>Chandrashekhara</i>	

B.Sc (C.S) III SEMESTER

Date	Time	Hall No.	Subjects	Remarks
09-01-2021	10.30 to 11.30 am	C-1	Computer Organization & Architecture	
	01.30 to 02.30 pm	C-1	Discrete Mathematical Structures	<i>tochaney</i>
10-01-2021	10.30 to 11.30 am	C-1	Numerical & Statistical Methods	
	01.30 to 02.30 pm	C-1	OOPS Using C++	<i>shrinika</i>
11-01-2021	9.00 to 09.30 am	C-5	Personality Development & Communication Skills	

Note:

2) On 11th after internals classes and Practical lab will run as per the time table.
