ABOUT COLLEGE

Karnatak College, Dharwad is the mother institute to Karnataka University, University of Agricultural Science, Dharwad, Gulbarga University, Women's University Bijapur and Vani Chennarayana University, Bellary. By the vision of the great founder, Queen Bahadur Kuntia Srinivas Rao, Shri Rao Bahadur Arjun Kudra Gowda and Shri M.B. Choubale the establishment of the college took a beginning and the foundation stone was laid on 23th July 1919 by the then Governor Sir George Lloyd. With their efforts and the rest of other eminent personalities in 1924, June 20th Inter College Science was started. This was later considered as B.Sc. course. Shri Siddappa Kambali, Education Minister of Bombay province played a vital role in bringing all the scientific instruments from Deccan College, Pune (as it was closed) to uplift the Science wing in the College. In 1958 Karnataka College was bifurcated into Karnatak Arts College and Karnatak Science College. Till today the College has experts in their own field to maintain high education values. In 2017, our college has celebrated its Centenary.

ABOUT DEPARTMENT

Genetics was introduced as one of the optional subjects at undergraduate level in the year 2000 looking at the needs of students and the society. It is housed in the Department of Botany, situated in the midst of lush green vegetation providing a congenial environment for enhancing student's studies. Genetics Course has an independent laboratory with state of the art instrumentation to teach Basic Genetics as well as Molecular Genetics. In the year 2003 post graduate Department of Applied Genetics was started in Karnatak University, Dharwad. Many students after completing their graduation and post graduation have moved to abroad and completed their Ph.D and Post Doctoral degrees. Two of the resource persons of present webinar are also the alumni of this College.

The Genetics Course is taught by expert teaching staff appointed on ad-hoc basis by Karnatak University, Dharwad.
