6.1 Institutional Vision and Leadership

6.1.1 The institutional governance and leadership are in accordance with the vision and mission of the Institution and it is visible in various institutional practices such as NEP implementation, decentralization participation in the institutional governance and in their short term and long term Institutional perspective plan

It sounds like the institution has a clear alignment between its governance and leadership with its vision and mission. The Vision and Mission of the institute are in tune with the objectives of higher education.

VISION

Our college aspires to be a role model in Teaching and Research, in multidisciplinary areas of importance. The Institution plays a vital role in the Socio-Economic progress of the country in a sustainable manner.

MISSION

Our mission is to provide, nurture and maintain conducive environment for academic excellence, research and entrepreneurship to prepare competent, ethical and socially responsible scientific professionals.

Reflection of Mission and Vision in the leadership of institute in ensuring

- 1. Designing of policy statements and implementation of action plans:** The University authorities and Principal actively participate in general body meetings to ensure that the policy statements and action plans are aligned with the mission of the institute. They disseminate the vision and mission to all stakeholders and involve them in forming the policy statements. The Principal creates action plans in consultation with Heads of Departments (HoDs) and faculty members to review outcomes from the implementation of action plans through meetings with functional committees and makes necessary changes if required.
- 2. Formulation of action plans:** Action plans are formulated in line with the quality policy under the leadership of the Principal and HoDs, and they are incorporated into strategic plans for effective implementation.

3. **Proper support for policy and planning:** The Principal, associated with HoDs, collects the requirements of society for policy making and planning through interactions with various stakeholders. The Principal ensures that all stakeholders are involved in different activities.

National Education Policy (NEP): Karnataka Science College, Dharwad, effectively implements the NEP, offering several benefits such as holistic and multidisciplinary education, a Flexible Curriculum, emphasis on Skills, Integration of Technology, Focus on Research, Promotion of Multilingualism, Teacher Training, Equitable and Inclusive Education, and Promotion of Vocational Education. Overall, the National Education Policy strives to transform the Indian education system to meet the demands of the 21st century and contribute to the holistic development of students.

Perspective Plan: The perspective plan prepared for the next five years includes accreditation, innovative research, centers of excellence, collaborations for higher studies, and student placement.

Karnataka Science College promotes and practices decentralization in both administrative and academic activities for the proper functioning of the institute. Different committees have been formed by the Principal in the governance of the institute.

i) Administrative Decentralization: Administrative decentralization comprises the Governing Council, Management, and Administration.

Governing Council: The governing council ensures the proper functioning of the college's policies, rules, and action plans. The Principal executes both administration and academic processes in the institution.

Management: The management endeavors to provide substantial independence to the teaching, non-teaching staff, and Chairpersons of various departments.

Administration: College administration supports and monitors the development and implementation of policies, programs, and initiatives associated with the vision and mission of the college.

ii) Academic Decentralization: Academic activities are performed by departmental faculty members, as these responsibilities demand a proper command over informative and knowledge-based actions. Several committees with well-defined functions provide academic and administrative leadership to the Institution.

The following committees are constituted for the smooth functioning of the activities:

- The Governing Council of the institution consists of the Hon'ble Vice Chancellor, Karnatak University, Dharwad, as Chairman, Registrar of the University, one Syndicate member, two senior Associate Professors, and one Senior Assistant Professor as members, with the Principal of the College serving as Secretary.

Principal and other faculty are responsible for planning and policy development, institutional budget, academic and research growth of the institute, and other extension activities. The Principal directs departmental heads to prepare the annual departmental budget. The HoD submits requirements along with relevant quotations, depending upon the syllabus's needs and current industry trends. For the acquisition of goods and services, including requisition preparation, funds requirement, and follow-up inquiries, the college practices decentralization by providing operational autonomy to the departments.

Furthermore, the HoD prepares a consolidated report and submits it to the Principal for approval. The Principal consolidates the requirements of all departments and forwards them to the University authorities for approval. The sanctioned budget from the University is received by the institute.

Top of Form Governance Structure of the Institution: Our institution boasts a robust system governed by eminent academicians, administrators, syndicate members, and senior teaching staff members since its inception.

Note:- Members of various committees are informed to be in contact with concerned Chairman/Chairperson.

Time Tables Committee:

A committee for College Time Tables and the calendar of events is constituted and headed by the Principal. It includes HoDs from each department to prepare the Time Table and calendar of events for the Academic Year.

Discipline and Anti-Ragging Cell:

Indiscipline implies the display of noisy, disorderly conduct, which hampers the smooth and harmonious functioning of the institution, whether inside the classroom and laboratory or outside, anywhere on the campus as well as outside. The students of KSCD should always remember that they are the torchbearers of the institution and should not indulge in any behavior that brings disrepute to their institution or a bad name to themselves.

The Discipline Committee in the college is constituted to achieve the following goals:

- Ensuring the formulation of a College Code of Behavior and promoting and regularly updating such a Code.
- Informing students of their rights and corresponding responsibilities during the induction program conducted for newly admitted students at the beginning of the semester.
- Identifying students who manifest challenging behavior and planning interventions to improve such behavior and bring them back to normalcy.
- Preventing challenging behavior through the establishment of healthy interpersonal relationships with students.
- Inviting a psychiatrist to address and provide counseling for students manifesting challenging behavior.
- Establishing liaison with the College Principal, staff, and students.
- Acting as a liaison to the College Principal in investigating incidents of violations of disciplinary rules occurring in the college.
- Encouraging individual and small group discussions about challenging behavior with stakeholders.

Anti-Ragging Cell:

According to the Hon'ble Supreme Court of India, "Ragging is any disorderly conduct whether by words spoken or written or by an act which has the effect of teasing, treating, or handling with rudeness to any student, indulging in rowdy or undisciplined activities which cause or are likely to cause annoyance, hardship, or psychological harm or to raise fear or apprehension thereof in a fresher or a junior student and which has the effect of causing or generating a sense of shame or embarrassment to adversely affect the psyche of a fresher or a junior student."

To ensure a completely ragging-free environment on the campus and in compliance with the letter from UGC, an Anti-Ragging Cell has been constituted in the college campus. Anti-Ragging Cell conveners and its members are working to maintain and preserve the culture of a "Ragging-Free Environment" on the college campus.

Career Guidance & Placement Cell:

The Career Guidance and Placement Cell of Karnatak Science College, Dharwad, spearheads and conducts Skill Development programs by inviting industrialists, entrepreneurs, and other stalwarts to deliver lectures on advancements in the latest and advanced technologies, soft and hard skill development, and competitive examinations. Additionally, our students also enroll their names in the career guidance cell at Karnatak University, Dharwad, as our college is a constituent college of Karnatak University, Dharwad. This enables our students to become innovators and excel in recruitment processes, thereby securing placements in organizations of repute.

Placement and Training Center (PAT), headed by the coordinator, functions within the department. The Placement Officer serves as the secretary, alongside other faculty members of the PAT. The PAT Center caters to the industrial training needs of students and facilitates their placement in jobs upon graduation. The training focuses on four major areas:

1. Communication Skills
2. Group Discussions
3. Analytical Skills
4. Personality Development

SC/ST/OBC Cell:

Since Karnatak Science College is a constituent college of Karnatak University, there is no separate cell for SC/ST/OBC. However, Karnatak University has separate cells for SC, ST, and OBC, governed by a Deputy Registrar and monitored by the Registrar, Karnatak University, Dharwad. All facilities are availed by our students through these cells. Hence, there is no need for separate cells.

Student Welfare Committee:

The Student Welfare Committee (SWC) aims to reach each and every student to assist them in fulfilling their academic and personal needs, and to help them excel in promoting active citizenship, socio-economic awareness, and moral responsibility. The committee endeavors to support the genuine needs of students and intends to facilitate a friendly environment for their overall advancement. SWC was established at Karnatak Science College to facilitate a positive and self-directed student experience by providing necessary support, guidance, awareness about development opportunities, and empowering students to become proactive lifelong learners to achieve their full potential in society.

Library Advisory Committee:

The library is a dynamic entity that must continuously evolve to meet the diverse needs of students, research scholars, and faculty members of the college. It serves as a hub for fulfilling all academic requirements of both students and staff members. The library boasts a comprehensive collection of books, journals, and e-resources spanning various subject fields, with a primary focus on meeting the needs of all stakeholders. The Library Advisory Committee (LAC) is constituted to oversee the operations of the library and serves as a channel of communication and dialogue between the library and its users.

National Service Scheme:

The NSS Unit of Karnatak Science College, Dharwad (KSCD) believes that "Life is an exciting journey, and more exciting when lived for others." The motto of the National Service Scheme is "NOT ME, BUT YOU," which reflects the essence of democratic living and upholds the need for selfless service.

Karnatak Science College has a well-established NSS Unit consisting of one hundred volunteers. The National Service Scheme (NSS) is beneficial to both students and society in various ways. NSS helps students grow individually and as a group. It makes students confident, develops leadership skills, and provides knowledge about different people and society.

NSS volunteers work in rural areas, adopt villages, and engage in society through education and health awareness programs. NSS helps develop a sense of social and civic responsibility. The NSS unit of Karnatak Science College regularly conducts numerous programs every year to benefit both the college and society.

The NSS Unit at KSCD aims to develop the personality of youth through community service. The combined efforts of both the students and faculty of the NSS-KSCD committee contribute to the betterment of society through soulful activities such as blood donation, charity for the needy, plantation drives, Sadbhavana Day, Environmental Day, yoga classes, and many other activities aimed at creating awareness among rural and public people.

National Cadet Corps (NCC)

The 'Aims' of the National Cadet Corps (NCC) laid out in 1988 have stood the test of time and continue to meet the requirements expected of it in the current socio-economic scenario of the country. The NCC aims at developing character, comradeship, discipline, a secular outlook, the spirit of adventure, and ideals of selfless service among young citizens of India. Further, it aims at creating a pool of organized, trained, and motivated youth with leadership qualities in all walks of life, who will serve the nation regardless of which career they choose. Needless to say, the NCC also provides an environment conducive to motivating young Indians to join the armed forces. The college has one NCC unit for both boys and girls, each consisting of 50 cadets and governed by a staff member as an Under Officer.

Women Empowerment Cell:

The college has a Women Empowerment Cell named AKKA ASSOCIATION, which addresses the grievances of girl students regarding sexual harassment. The composition of the cell comprises one senior lady faculty member as convener and one lady faculty member from each department.

4. To sensitize girl students to gender equality and further encourage them to advocate for gender equality within the community.
5. To help girl students realize their strengths and empower them.

Role and responsibilities of WEC:

1. Periodically organize invited lecture series on relevant topics such as health, legal matters, career guidance, and social issues.
2. Monitor and provide counseling to girl students in their department, as needed.
3. Offer advice and support to any girl student facing gender-specific problems.
4. Arrange competitions like presentations, elocution, essay writing, and painting to encourage girl students to express their ideas.
5. Above all, ensure a secure and conducive learning environment for girl students.

Website Maintenance Committee:

With the objective of overseeing various processes related to maintenance activities of the institute's website, a committee named the Website Maintenance Committee has been constituted. This committee will have the overall responsibility of developing and implementing strategies for the effective maintenance of the institute's website. Its goal is to ensure that the general public, prospective students, and all other stakeholders have increased access to and awareness about the developmental and promotional activities of the institute.

Canteen Committee:

The institute has a canteen within the campus that offers breakfast and lunch facilities to both students and faculty at subsidized prices. Additionally, the canteen provides a variety of eateries to interested students. Hygienic conditions in and around the canteen are maintained. The Canteen Committee, comprising faculty members and student representatives, regularly monitors the quality and prices of food items.

Composition of the Canteen committee- 2021-22 & 2022-23
