Today we from Podar Jumbo Kids Dharwad (Kelgeri) visited Zoology Museum along with our little kids to give them real time experience of concepts taught at school as part of our (sessions) curriculum. Naveen Sir addressed us and educated our kids so well. Our little kids could understand and gain knowledge about many animals may it be land sky or sea animals and enjoyed a lot. Sir explained everything so good to child level that our kids are carrying back lots of information from this department.

Thank you to Naveen Sir and to entire Department.

Angadi
